A Holiday Message from our BOARD OF DIRECTORS

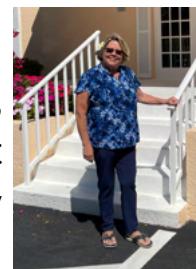

A HAPPY NEW YEAR to our Wiggins community! We hope you all had a healthy and happy holiday season with your families. We are looking forward to seeing you all back here in Wiggins for the 2025 season. This time of year brings an opportunity to celebrate our community and also look ahead to the possibilities 2025 will bring. And we really feel great about this coming year in Wiggins.

2024 was about progress – we made some big strides forward in our landscaping, community improvements, and communication. These successes have been because of so many of you who have stepped up to help – thank you for your continued support and engagement. And as we move into the New Year, our Board remains committed to working together to enhance the quality of life in Wiggins.

As you return to Wiggins after the holidays, we know that you will reconnect with your neighbors and friends and enjoy the activities in our community. The weather here is gorgeous, and the spirit is positive. We hope the New Year brings everyone good health and happiness! Happy New Year and welcome back!

Jill Galloway: Our Property Manager

Do you need help with something? For questions, concerns, issues about your property at Wiggins, your first point of contact should be Jill - she can help you! Her hours on our property include both morning and afternoon availability. She works with our vendors on our community improvement projects daily. However, she is available in the Clubhouse every day during the last two hours of her shift each day for walk-in concerns. Her hours are posted weekly in our Wiggins Weekly. You can reach her in the Clubhouse or always by email at:

jgalloway@resortgroupinc.com Or by phone at 239-351-2027.

SAFETY REQUEST!

When driving around our community, **PLEASE STOP** at all STOP signs. Too many times people drive right through the intersections and are driving way too fast. Remember we have lots of dog walkers, bikers, kids on bikes, walkers, runners, and folks out for leisurely strolls. And keep to our 15 miles per hour speed limit. Keep us all safe and drive with caution around the community!

LANDSCAPING UPDATE from our Landscape Committee

Since the last newsletter, we received plans and estimated costs for the fronts and sides of all buildings from Leo Jr. Landscaping. Building 773 was completed as a prototype for a long building and Building 431 was completed as a model for coach homes. Each building will have some variety so not all buildings will look the same, but the intention is for the community to have a unifying look. Plants are selected to be salt tolerant, native and drought tolerant.

431 Wiggins Lake Court

Areas with drainage needs were identified and addressed. In these instances, the drainage issues were impacting the integrity of a parking lot, driveway, or walkway.

773 Wiggins Lake Drive

The Landscape Committee recommended to the Board of Directors that an assessment be applied to finish all fronts and sides of buildings so that the work can begin immediately in 2025. The Board will vote on the suggested assessment on January 3. It is important to remember that this work is still addressing the devastation of Hurricane Ian, and it has now been over two years. Backs of buildings are not yet addressed in current plans. However, at the last Board meeting, the Board approved the recommendations of the Rules and Regulations Committee to allow for some potted plants to be placed outside the lanais. Specifically, the new rules state:

The black mulch looks great!

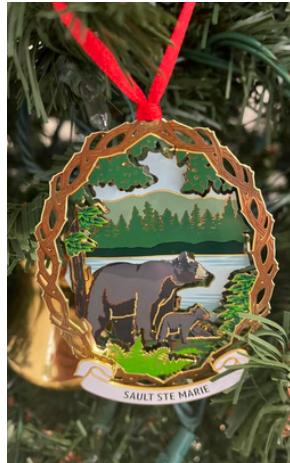

First floor units may have up to 4 live potted plants (not artificial) outside Lakes and Coach Home lanais. This is only allowed during non-hurricane seasons and only when owners are in residence. Plants cannot be in plastic pots, can be no larger than 12" diameter, and no trellis. First floor Coach Homeowners may also have 2 live (not artificial) potted plants under the steps. This is only allowed during non-hurricane seasons and only when owners are in residence. Plants cannot be in plastic pots, no larger than 12" diameter, and no trellis.

As many return to our community, you will see more plants, enhanced landscaping and additional work in the coming months.

In our previous newsletter, we introduced the Social Committee's initiative to replace worn-out tree ornaments with ones that symbolize our residents' home states and communities. A heartfelt thank you to everyone who contributed an ornament. We had many states represented. It gave the Wiggins Christmas tree a wonderful personal character. We eagerly anticipate this tradition continuing!

We hope that next year we will have MANY more! Please add to the Wiggins spirit!

The Ugly Sweater Party - A Wiggins Tradition Continues

The Wiggins Clubhouse was filled with laughter, friends and holiday cheer for our Ugly Sweater Party. A HUGE thank you to Ed and Delia Stull for their amazing work putting this wonderful evening together! The evening kicked off with a delicious chicken and salad dinner accompanied by many dishes brought by our Wiggins party-goers. When it was time for the coffee and desserts, the games began.

They all thought they had an original idea! What a great looking group!

Admire Abigale's Ugly Sweater - She was the contest winner!

Congratulations to Abigale Jones for her Ugly Sweater victory! Then we all were challenged in the Mitten Game. We had to open a Christmas present while wearing oven mitts and wearing a crazy hat and scarf. So many laughs! Finally we enjoyed a couple of games of Left, Right, Center.

The Ugly Sweater Party continued - Let the games begin...

Thanks to Delia and Ed, and all of those who brought dishes, or simply came to share friendships and laughter. It was a wonderful evening for all to ring in the holidays. We hope to see even more people here next year!

Our Wiggins owners now have access to our Clubhouse to gather, play board games, ping pong, or just talk with each other whenever it is not scheduled for a community activity. Also, owners will be able to reserve the Clubhouse to use for their own function, activity or meeting. There is a lock on the door with code access. If you did not already receive the code, please check with Jill. Please do not share the code with renters, tenants or guests. Before you head over, just check the calendar on the website to make sure it is not booked. If it is available, you are welcome to come over!

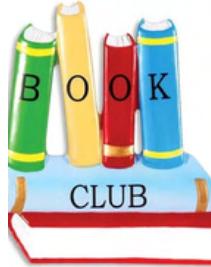

BINGO RETURNS on Monday JANUARY 13

Let's pack the Clubhouse - the more people, the bigger the jackpots! \$5 per card, 3 for \$10. Use the same cards all night! SEE YOU THERE!

Book Club Update:

Our Wiggins community has a wonderful book club that has been meeting for many years. And we actually discuss the books! All new owners and renters are WELCOME to join in. While we often call ourselves The Literary Ladies of Wiggins, we would be happy to also have some of our Wiggins gentlemen join us - you are most certainly welcome! We meet on the third Thursday of the month at 7 pm in the Clubhouse. Discussions are lively and there are usually treats to enjoy. Send an email to sueszach@aol.com to get on the Book Club email list to get all the information! Join us!

NOTHING stops Wiggins Pickleball

We've had some cold mornings! But we are always ready to go. If you are an experienced player, 9:00-10:30 every morning is for community play. For newcomers, the courts are open on a first come first served basis the rest of the day.

EUCHRE

If you're from the Midwestern US, Australia, Canada, Great Britain, or New Zealand, you might be familiar with a card game called Euchre (pronounced YEW-ker). For the uninitiated, Euchre is a card game that dates back to the 1800's and was once regarded as America's National Card Game. It has various regional variations and rules.

I'd Rather Be Playing EUCHRE

We consulted with Terry Weiner, a resident who organizes our Euchre games at WLP, and he recommends YouTube as the best resource to learn how to play.

For those interested, beginning on January 2, Euchre games will be held in the clubhouse at 7 PM and are open to everyone. If you plan to join, please arrive a bit before 7 PM. The entry fee is \$5 per person, and the winner gets some of that!

Thank you to our Documents Project group who are working diligently to ensure our outdated documents conform to Florida laws and reflect the concerns of our community. Chaired by Director Howard London, the group consists of Karen Grossbier, Dave Hunter, Sue Jonas, and Terry Weiner.

They have reviewed original documents and the new proposed documents. They then met with Attorney Joe Adams who provided valuable counsel on why particular changes were needed and what the laws now require. They suggested changes to the revised documents to Attorney Adams, and met again with him. They are now reviewing the newest revisions from the attorney.

The committee is now developing plans to present its work to the entire Wiggins community in a way that is clear, transparent, and allows for a full discussion in a series of Town Halls, including one in which Attorney Adams will be present. The Communication Committee will keep everyone informed about next steps. The work of this committee has been tedious, and we are grateful for the dedication of this group!

Frustrated with fishing!!!

We continue to struggle with trespassers coming into our community to fish in our lakes. While it might not seem like a huge safety concern, unfortunately in a few instances the trespassers have been belligerent and confrontational. We have now partnered with the Collier County Sheriff's Office Community Policing Unit. Our community has now filed a Property agreement with the Collier County Sheriff's Office. If they catch someone on the property, they will issue them a No Trespass notice the first time. If they return, they can be arrested. So if you see anyone fishing, immediately call the non-emergency number at **230-252-9300**. Please do not yell at them or threaten them that the police are on the way - please call! We want the police to catch them, and they can't catch them if they are gone before the police arrive. Because we now have a Property Agreement with the police they will respond and cite them for trespassing. Thank you for your help with this very frustrating issue.

PUBlix UPDATE: It sure looks like it's coming!

If you have been keeping up with our newsletters, you will recall that last month's issue mentioned the ongoing construction at the Gateway Shops at North Bay (formerly Lucky's). The site is undergoing extensive renovation and site work, expected to take approximately 18 months. For more details about this project, please visit: <https://www.gulfshorebusiness.com/work-publix-wiggins-u-s-41/>

Being a Good Neighbor in Wiggins: let's work together!

Our Wiggins Rules and Regulations are in place to keep our community beautiful, friendly, and safe. Recently a group of our owners were part of a Rules and Regulations Committee to review all of our current rules, update any that needed revision, and recommend new rules to the Board. In the Board meeting on December 11, the new Rules and Regulations were voted in and these changes will be updated on the website soon.

Here are a few of the changes: (The full list will be posted on the website soon)

- **For the pools:** No food permitted in pool or on pool deck. Drinking water is allowed in its original plastic container, in sealed containers such as a Yeti or Stanley tumblers, or in Styrofoam or plastic drink cups with lids. No coolers permitted.
- **For outside your units:** First floor units may have up to 4 live potted plants (not artificial) outside Lakes and Coach Home lanais. This is only allowed during non-hurricane seasons and only when owners are in residence. Plants cannot be in plastic pots, can be no larger than 12" diameter, and no trellis. First floor Coach Homeowners may also have 2 live (not artificial) potted plants under the steps. This is only allowed during non-hurricane seasons and only when owners are in residence. Plants cannot be in plastic pots, no larger than 12" diameter, and no trellis.

We are still having problems with people using the dumpsters:

Being a good neighbor in Wiggins means being a good owner. For owners who rent out your unit, please share our Rules and Regulations with your renters, tenants, or guests. We all need to be respectful of our community.

This is an example of the issues we have had. This was in the dumpster area by 765 a few days before Christmas.

So, let's talk trash...

In our Coach Homes (4 unit buildings with garages):

- Coach homes have curbside pickup. Trash pickup on Tues and Fri; Recycling on Fri. only. Bulk items pickup on Fri.
- Coach homes should not use the dumpsters for refuse of any kind.
- On pickup days, use the appropriate bins and bring them to the curb. Do NOT leave bags or boxes curbside.
- Return the empty bins to the garage by the end of the day.
- If you are in need of a waste container, contact Waste Management at www.wm.com

In our Lakes' Condos (long buildings)

- Never leave garbage curbside. Household garbage should be bagged and placed in the dumpster.
- Recyclables should be broken down and put into the designated yellow/green recycle bins. Break down boxes to maximize space.
- Do not leave recyclables in plastic bags; drop them loosely into the bins. Plastic bags are not recyclable.
- Bulk/large items such as furniture should not be disposed in, or left near, the dumpsters. For bulk items, pickup can be arranged with the waste management company.
