Week of August 17 – August 23, 2026

Hello Wiggins Residents: Reminder - the Board sends out this [Wiggins Weekly](#) on the weekend reporting on the previous week and also alerting you to any important notifications for the week ahead. If you have a question for us, send an email to sueszach@aol.com. We will do our best to provide the information you request.

- **OUR NEXT BOARD OF DIRECTORS MEETING**– The next meeting of the WLP Board of Directors will be on **Wednesday, September 9 at 1:00** PM both in the Clubhouse and by zoom. Dana has put together all the important information that the Board will be voting on and the zoom link. This will be sent out using our GetQuorum partner on Monday, August 24, so please check your email. If you did not previously provide electronic consent, materials will be sent out in regular mail using USPS. Dana will also send out an email when everything is sent. If you do not receive the email from GetQuorum, contact Dana immediately so you receive the information prior to the meeting.
- **GOOD NEIGHBOR REMINDER: PLEASE USE THE DUMPSTERS PROPERLY** - We need everyone's help keeping our dumpster areas clean and accessible. **Please do not leave trash, furniture, boxes, or other items on the ground beside the dumpsters.** Large cardboard boxes must be broken down and placed inside the recycling containers. Waste Management will **not** pick up items left on the ground, and when items are blocking access to a dumpster, the truck may not be able to service it at all. What may seem like “just leaving it there for pickup” can quickly create a mess and prevent the entire community from receiving service. **Please take the extra few minutes to dispose of your items properly—it's an important part of being a good neighbor and keeping our community clean.**

This is what we faced this week. Please be more considerate.
- **DRONE PHOTOS** – For all those at Wiggins, our insurance agent will be sending over their drone operator on WEDNESDAY to photograph our building roofs. Because our roofs are relatively new and in great condition, hopefully this will help in our renewal process. So don't be alarmed when you see the drone hovering.

- **PLEASE LEAVE THE PAINTER'S TAPE** – Dana is doing building inspections after the electricians complete the lighting on a building. If you see any pieces of painter's tape (green, blue, and/or orange), please leave it in place. Dana is coding areas that need some follow up attention.
- **Our Manager, Dana Schipper** - If you have issues with your property, please use the **Message to the Manager** link on the homepage of our website. Just click on the link and it takes you to a form. Fill it in, hit SUBMIT and Dana will get back to you within 24 hours.

**August 26 is
National
Women's
Equality Day**

On this day in 1920 Congress passed the 19th Amendment granting women full and equal voting rights.

In 1973 Congress passed the resolution to declare the day as Women's Equality Day to honor generations of women who endured opposition and sacrifice in their struggle to gain the right to vote.
