Week of July 27 – August 2, 2026

Hello Wiggins Residents: Reminder - the Board sends out this **Wiggins Weekly** on the weekend reporting on the previous week and also alerting you to any important notifications for the week ahead. If you have a question for us, send an email to sueszach@aol.com. We will do our best to provide the information you request.

- **OUR NEXT BOARD OF DIRECTORS MEETING**– The next meeting of the WLP Board of Directors will be on **Wednesday, September 9 at 1:00** pm both in the Clubhouse and by zoom. Dana will be sending out the agenda and important information about this meeting so please continue to check your email for this information.

- **ROYAL PALM BAD NEWS**– Previously we shared the news about the lightning strike on the royal palm in front of building 790. Leo Jr. has been monitoring the health of the tree, and sadly, it will have to be taken down. To prevent the fronds from falling and causing damage, the top has been removed.

- **A BUSY WEEK AROUND THE PROPERTY**– The focus of this summer has been community improvements, and this week Wiggins was busy! Leo Jr. began the tree trimming as part of our hurricane preparation and completed some drainage work and plantings. Also, the Electrical Co. of Naples continued installing the new coach lights on the buildings. And Excellent Solutions has removed the old lampposts and is preparing for the installation of the new ones.

- **FRIENDLY NEIGHBORHOOD REMINDERS** – As we all enjoy our beautiful community, here are a couple of friendly reminders that help keep our Wiggins community safe and enjoyable for everyone.

Please Slow Down! Our community speed limit is just **15 mph**, and all stop signs should be

observed. We've recently noticed a few vehicles traveling much faster than the posted limit and not coming to a complete stop. Walkers, bikers, and dog walkers all share our roads. Taking a minute to slow down helps keep everyone safe and makes for a more pleasant place to live.

Pool Shower Courtesy: Thank you to everyone who uses the pool shower before entering the pool—we truly appreciate your helping keep our pool clean. We do ask one small favor: before you head to the pool, please make sure the shower is turned **completely off**. We've had several occasions where the water continued running after someone left, resulting in unnecessary water use and higher costs for our community. A quick double-check before you walk away is greatly appreciated. We appreciate everyone's help on these issues – THANK YOU!
